The public notice of this project, file number NRS07.267, published on August 15, 2007, can be found on the Internet at <http://www.state.tn.us/environment/wpc/ppo/arap>. In anticipation of public interest in this project, the applicant has volunteered to hold a public hearing to discuss water quality concerns. Persons wishing to comment on or object to the application proposal are invited to deliver oral or written comment at the public hearing. The hearing officer will limit all testimony to relevant water quality issues and may limit testimony in the interest of time. However, all persons desiring to speak will be given an opportunity to do so. Written testimony will be accepted for 10 days following the hearing and will be considered part of the official record. The public is also invited to submit comments in writing to the division at the address printed below. The comments must be received by September 28, 2007. After considering all public comments, the division will publish a final permit decision and a notice of the division's determinations.

Interested persons may obtain additional information or inspect and copy the application and related documents during business hours at the division's office in Nashville (615-532-0660) at the address listed below.
